I don't think it's a secret that meditation works, but I do know that it takes time and effort to reap the benefits. So after my First Blog I wanted to keep blogging, but not to give meditation "lessons", but instead something relevant to my life that will help me make meditation more effective. This is the second installment of those posts. I'll cover the basics of meditation, how to start meditating, and the benefits of meditation. And of course I'll talk about the Power of the Jedi Mind Trick. Basics of Meditation Before you start meditating, take about an hour or two to familiarize yourself with meditation.
